Introduction to the Western Cape

CAPE TOWN

Cape Town has always been considered the jewel in the crown of the Western Cape with the city's natural beauty, depth of experiences on offer and friendly locals well known. With a history as rich as it is diverse the Mother City, as it is affectionately known, is a heady mix of cultures, blended in a tumultuous past, making it one of the world's most cosmopolitan and intriguing cities to visit. With its natural beauty, blending seamlessly with its cultural, artistic and bespoke experiences, there is something on offer for travellers of all kinds.

The unmatched wonder of Table Mountain is always popular, while in the summer, the many beaches across the city's coastline are packed with both locals and foreigners alike. It is also quickly becoming a favourite for those seeking something more extreme, with abseiling and sky diving just some of the adrenaline-fueled activities on offer.

It is the gastronomic capital of South Africa, with its restaurants consistently topping the local and international lists.

The heritage of this great city is unmatched, its story to be found in any number of museums and heritage sites around the city. From the foreboding Rhodes Memorial, which sits along the slopes of Devil's Peak, in remembrance of the city's colonial past, to the emotional and torrid history of Robben Island and District Six, Cape Town's tale is equally one of tragedy and heartache, inspiration and a triumph.

With so much on offer, is it any wonder that Cape Town continues to welcome the world to its doorstep?

MUST-DO EXPERIENCE

V&A Waterfront

The V&A Waterfront is an iconic mixed-use destination located in the oldest working harbour in the Southern Hemisphere. With Table Mountain as its backdrop, the 123-hectare neighbourhood sits within the beautiful city of Cape Town, welcoming millions of people from all over the continent and the rest of the world. The V&A Waterfront is a symbol of heritage and diversity, where people from all walks of life can play, live, shop, dine and work while immersed in the vibrant spirit and authentic local culture that exists in this bustling ecosystem.

CAPE WINELANDS

The Western Cape is a place known for its abundance of quality wine and the Cape, in particular, is intrinsically tied to the vine. Nowhere is this truer than in the Cape Winelands, a region overflowing with award-winning vintages and home to a number of world-class vineyards.

Towns such as Stellenbosch, Franschhoek, Paarl, Wellington and Robertson are now iconic in terms of the wine they produce and together they produce wine that is as diverse as it is bountiful. Set aside plenty of time if you visit the Cape Winelands, because you will never cover it in a day...

But while the wine put the Cape Winelands on the map, it delivers plenty on the food front as well, with world-class restaurants in abundance - with Franschhoek and Stellenbosch, in particular, leading the way. Both towns are home to several award-winning restaurants, ranging from fine dining to more relaxed experiences.

MUST-DO EXPERIENCE:

Boschendal Wine Farm

One of the oldest farms in South Africa, founded 1685, the Boschendal in Franschhoek has grown with the passing centuries into a cherished source of wholesome produce, great wines and happy memories. Set in the Drakenstein Valley surrounded by dramatic mountain landscapes, lush gardens and vines, the original farmstead complex is now a national monument with a rich and intriguing history of more than 300 years. Today, Boschendal is a Cape Winelands icon and cherished food destination.

Enjoy all the family friendly fun this magnificent wine farm has to offer, from unique food experiences to exploring the spectacular landscape by foot, horse or bike. All while taking the opportunity for some well-deserved downtime in tranquil surroundings, albeit a lunchtime picnic or late afternoon swim in the dam.

CAPE KAROO

Known for its wide-open spaces, the Cape Karoo is where you want to go when the pace of city life is something you want to escape. This is where you go to get off the grid. A place of incredible beauty, wild game, clear skies and magical sunsets, the Cape Karoo has a number of nature reserves and game farms, boasting an abundance of wildlife. The Karoo National Park, for example, is home to black rhino, lions, and other wild game.

Another animal in abundance in the Karoo is sheep, who roam 'freely' around the area on large plots of land, sampling a wide range of indigenous, aromatic plants. As a result, the Cape Karoo has become famous for its succulent and tasty lamb dishes. You need to sample some when in the area!

Perhaps the best way to see this ancient land is by train, with the luxurious Rovos Rail running through the area, as well as the more affordable Blue Train and Shosholoz Meyl trains. What better way to see this magical place than by train?

While in the area, be sure to visit Matjiesfontein, a tiny 19th Century town, seemingly untouched by time, and was once considered the jewel of the Western Cape.

MUST-DO EXPERIENCE:

Stargazing

Stargazing is a must when visiting anywhere in the Cape Karoo it only takes you to look up and view stars pinned against a black canvas. From open vast landscapes, to sunsets followed by open starry night skies. The Cape Karoo is an untouched region just waiting to be discovered by you.

CAPE OVERBERG

Lying between the Cape Peninsula and the Garden Route, the Cape Overberg is known as the 'breadbasket' of the Cape, because of its wheat fields and large harvest of fruits.

This is a place that boasts great diversity with coastal towns such as Hermanus, known as the jewel of the Cape Whale Coast for its abundance of marine wildlife, the beautiful Elgin Valley, an under-appreciated wine region and Swellendam, a jaw-droppingly beautiful natural wonderland, combining to create a region unlike any other. With a landscape dominated by gentle, undulating hills, enclosed by the ocean and foreboding mountain ranges, the Cape Overberg is a favourite getaway for those seeking outdoor pursuits and adventure.

The region also boasts an abundance of animal life – both land and ocean dwelling – with the wild horses that roam the wetlands between Bot River and Kleinmond having been there for as long as people can remember and Hermanus a favourite breeding ground for the Southern Right whale. Visit the coastal town of Hermanus from May to October annually and you're virtually guaranteed a sighting of these magnificent ocean animals.

CAPE WEST COAST

The Cape West Coast (locally referred to as Weskus) is a place so awe-inspiring, so jaw-droppingly beautiful, and so magical, you would need weeks to take it all in. Stretching from Malmesbury, just outside of Cape Town, to the border of the Northern Cape at Touws River, the Cape West Coast is best known for its beautiful beaches and the quaint, seaside towns that populate the region.

Towns such as Langebaan, Lambert’s Bay, Paternoster and Saldanha have all become a home-away-from-home for many Western Cape locals and are havens for those looking to escape the city. The region is also famous for its bountiful seafood, with snoek, mussels and crayfish in abundance and understandably the area has become a mecca for restaurants specialising in seafood dishes, the ingredients of which are usually fresh from the ocean in which they line.

But the Cape West Coast is not just about the sea and all things related to it! There are many wonders that lie inland with the aptly named town of Darling famous for its wildflowers, which are in full bloom over September annually, while the Cederberg Mountains boast century-old rock art, warm, welcoming locals and some of the best hiking, mountain biking and bouldering in the world.

MUST-DO EXPERIENCE:

West Coast National Park

A short drive out of Cape Town and one comes across the jewel that is the West Coast National Park. Against the backdrop of the azure blue lagoon, white dunes, rare fynbos, green wetlands and unbounded waves, there is much to experience. A paradise for hikers, cyclists & mountain bikers, birders and nature-lovers alike...Come to West Coast National Park and explore, discover and relax.

www.sanparks.org/parks/west_coast

GARDEN ROUTE AND KLEIN KAROO

One of the most beautiful, diverse and awe-inspiring regions in the country, the Garden Route and Klein Karoo is also one of the most-loved road trips to embark on. Stretching from Witsand to Plettenberg Bay, right around to Oudtshoorn as well as Calitzdorp and Ladismith on the world-renowned Route 62, this is a place where adventure lies around every corner.

With everything from majestic mountains – and equally impressive mountain passes – to brilliantly blue coastlines and thick forested areas, the region is a natural wonderland to explore with a hugely diverse number of experiences. Route 62 runs through some fantastic small towns, with a number of options available to you – from olive and fruit farms, and nature reserves.

And while the Garden Route is often celebrated for its exquisite coastal beauty, brilliant beaches and marvellous lagoons, it is also a golfer’s paradise with a number of world class courses on offer, including Fancourt in George and Pinnacle Point in Mossel Bay, with many designed by world famous golfers.

For the adventurous, there are few better playgrounds to explore, with a myriad of trails, running through indigenous forests and up epic, jaw-dropping passes, while for those who prefer the water are sure to be spoilt by what is on offer in Knysna, Wilderness and Plettenberg Bay.

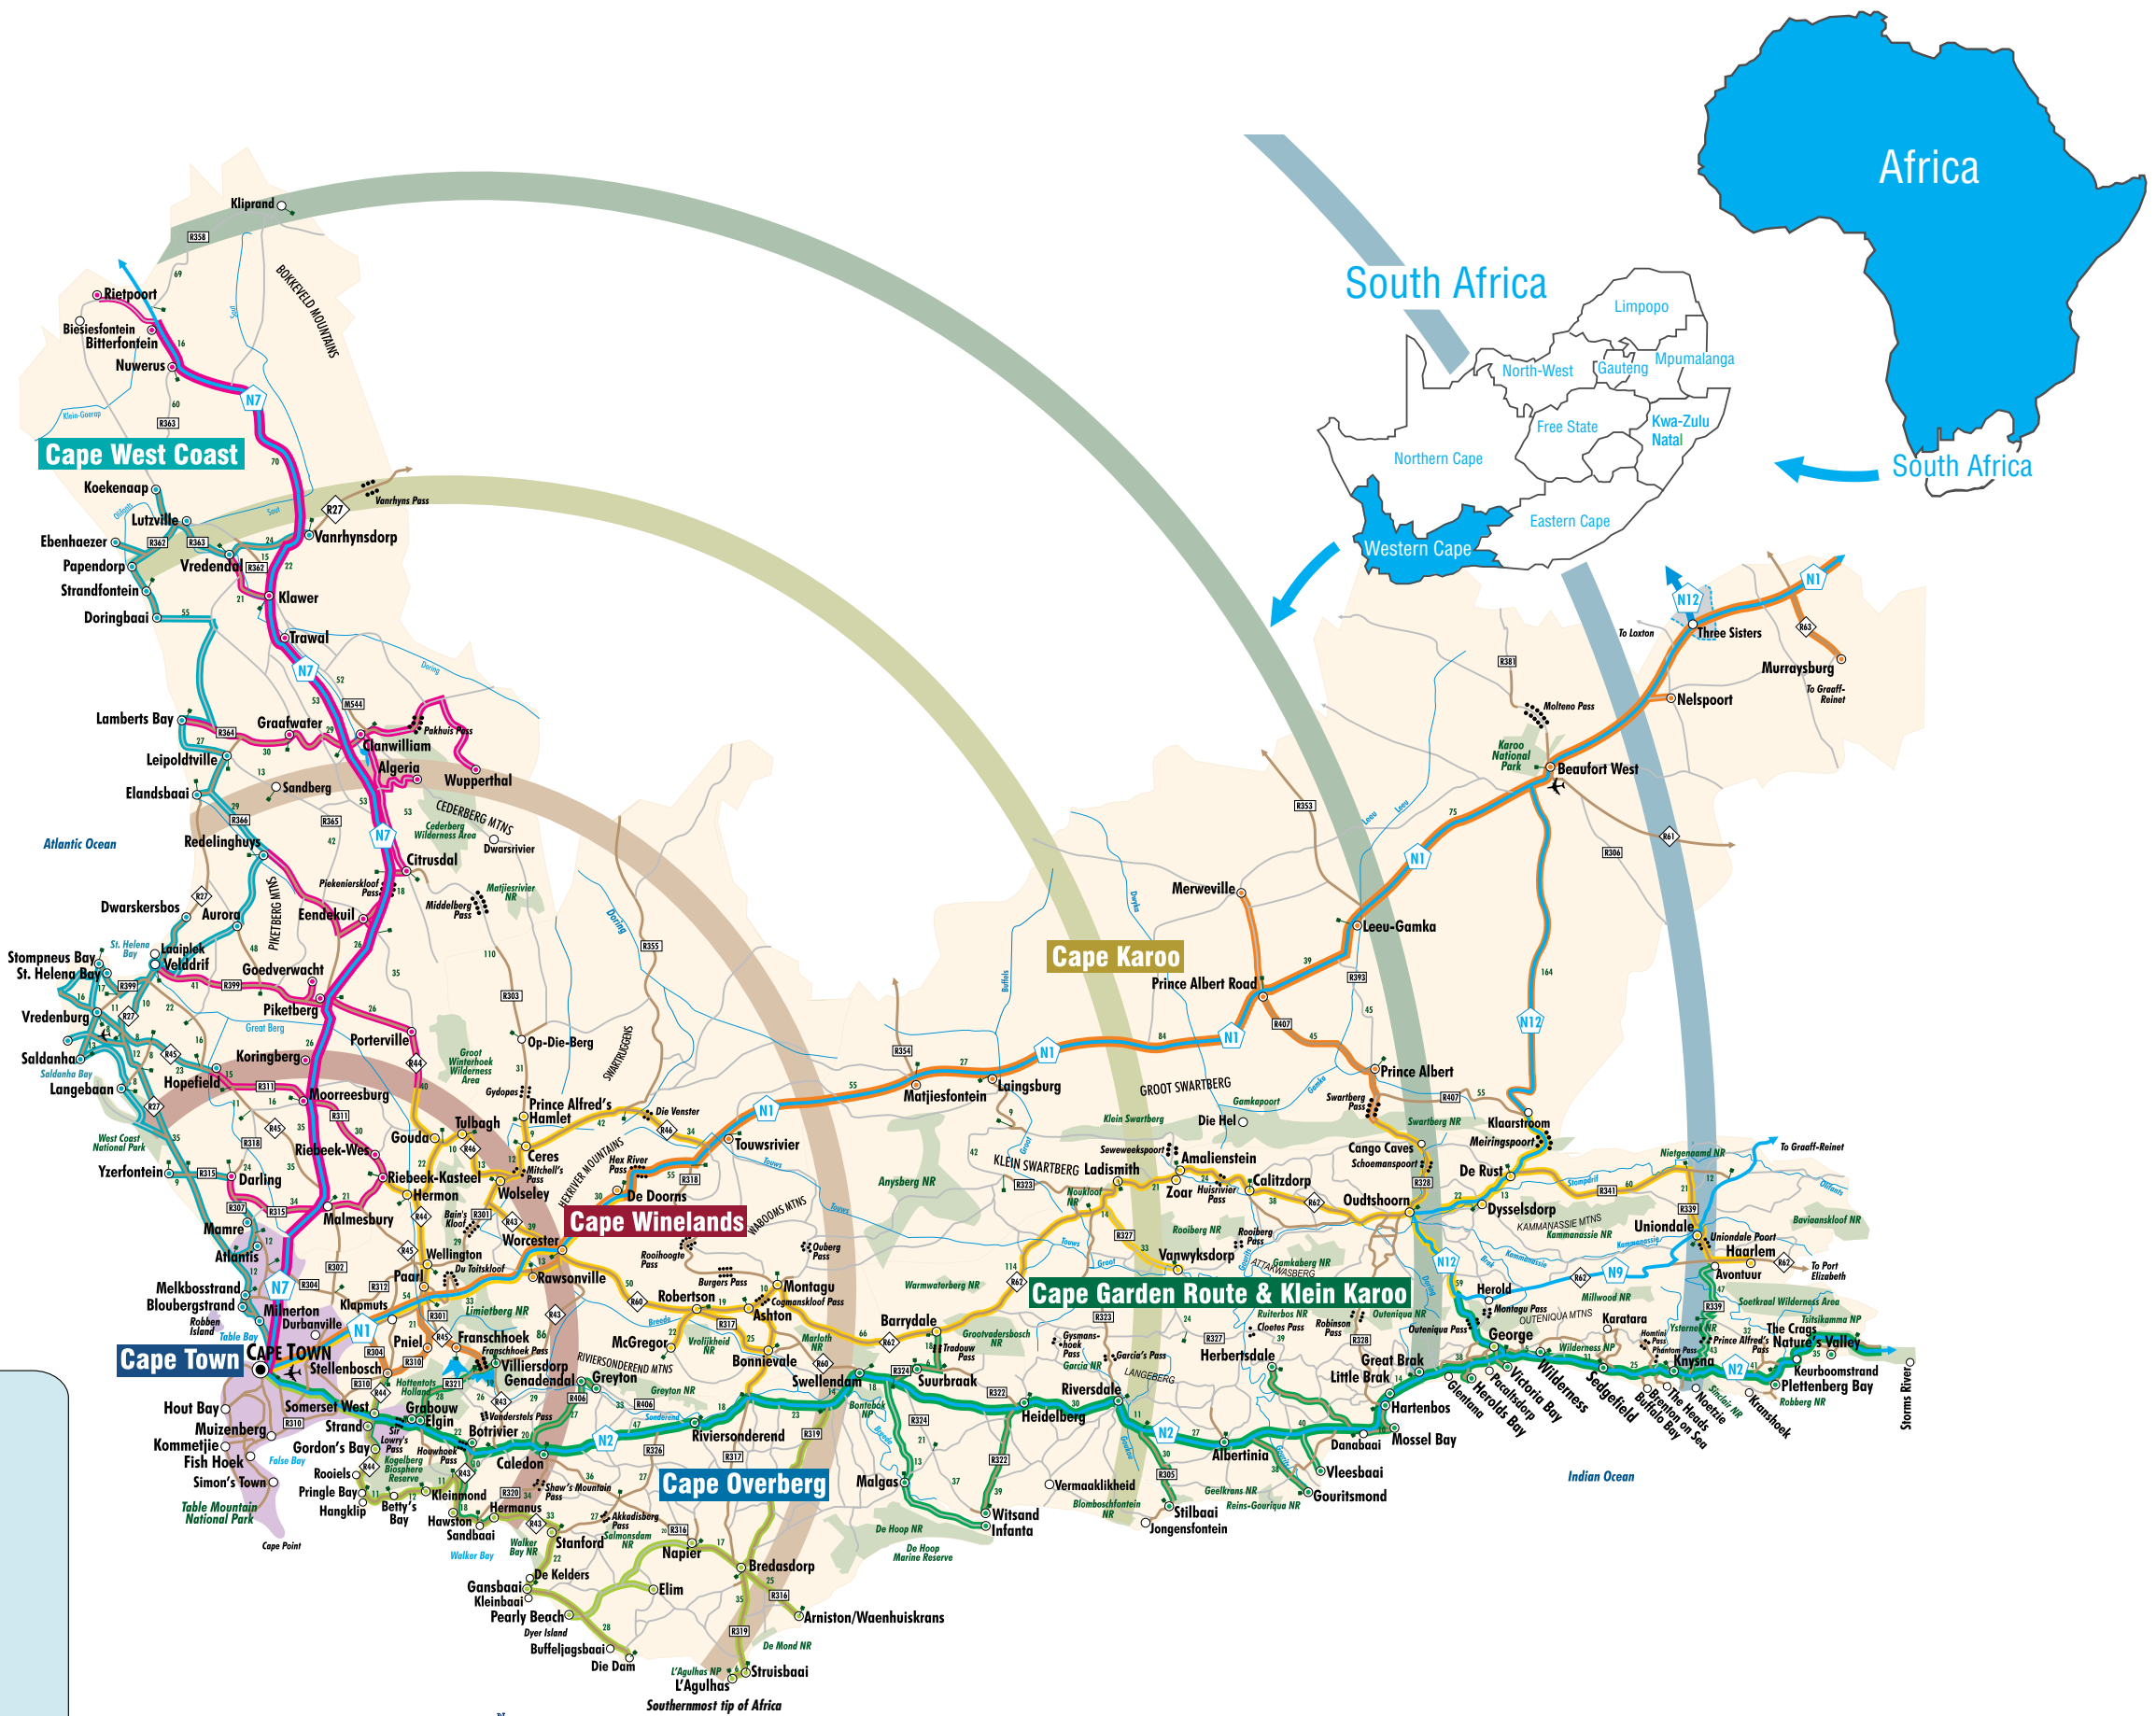

MUST-DO EXPERIENCE:

Franschhoek Wine Tram

Passengers on-board the hop-on-hop-off tour experience a unique and leisurely way to see the Franschhoek Valley as they journey through rolling vineyards in an open-side double-deck tram and open-air tram-bus stopping in at some of South Africa's oldest and most distinguished wine estates. A combination of tram and tram-bus transports passengers around a loop of stops allowing them to hop off at each stop and experience the activities on offer, be it wine tasting, a cellar tour, lunch or simply a stroll through the vineyards and when they are ready, hop-on to continue the tour. As we are essentially a wine tasting experience there are not a lot of other non-wine activities available. Our line that is more activity orientated rather than wine would be the Purple & Orange lines.

The experience takes passengers right into the heart of the Franschhoek Valley, with a narration focusing on the history of Franschhoek and wine cultivation in the valley and unparalleled views of the valley and vineyards.
